Worship *Updates*

COVID protocols have been relaxed during worship services relating to the Eucharist and exchanging of the Peace. Masks are no longer required, but still encouraged. Isolation is still required for those who may have symptoms and have been in contact with others who tested positive. The Diocese is providing supply clergy every Sunday to lead us in worship during this transition period. *Stay up to date on our church website and through our emails via Constant Contact!*

Feast of Saint James the Apostle July 25th

Keep in touch with your fellow church family. Hurricane season is here and 2022 is forecasted to be a very active season. Please begin preparations and stay informed.
